

Instructions for reviews of Papers for the course EECE 513: Term 1, 2011.

*Both reviews are due **by noon on the day before** the scheduled discussion class.
Please email me both the reviews as separate PDF files by the deadline.*

Remember that you are NOT merely summarizing the paper but providing critical comments on it (positive and negative). I'd suggest organizing the review as follows.

Summary (2-3 sentences):

Things you liked about the paper:

Things you did not like:

Open questions or points that you do not well understand:

Extensions to the paper/study that are not suggested by the authors:
